

Statements of Purpose for the Canadian Association of Principals (CAP)

The Canadian Association of Principals (CAP) exists to advocate for the professional perspectives of principals, assistant/vice-principals, and aspiring leaders at the national and international level, promoting strong school-based leadership that enhances the quality of public education for Canadian students..

Our Commitment Statements

- **Unifying Leadership** – CAP serves as a national organization that seeks to connect and advocate for school based leaders across Canada..
- **Professional Growth** – We support ongoing educational research, leadership development, networking, and professional learning opportunities for our members.
- **Educational Leadership** – CAP works to foster and strengthen school based leadership to enhance public education in Canada.
- **Elevating the Profession** – We recognize and celebrate the impact of school based leaders at the provincial/territorial and national levels.
- **Informed Decision-Making** – CAP provides valuable information, resources, and participates in research to address key educational issues.
- **Truth and Reconciliation** – CAP actively participates in and endorses Truth and Reconciliation.
- **Inclusive Leadership** – We value safe and inclusive learning communities across Canada which includes diversity, equity, and cultural competency.
